Est. 1942

Football programs for Basic Athletics are produced by the staff of the *Lone Wolf* newspaper. The *Lone Wolf* is a monthly print and digital newspaper produced by the students in Basic's journalism program. Established in 1942 and celebrating its 80th year of publication, the *Lone Wolf* is self-funded through advertisements and the generous support of the Henderson community.

If you would like to support the work our students do by purchasing an advertisement in the *Lone Wolf* or by giving a donation, please email holliam@nv.ccsd.net, or call the school at 799-8000 x 4076.

The Quinton Robbins Play It Forward Foundation

We lost Quinton tragically at the Route 91 Harvest Festival shooting on October 1, 2017 in Las Vegas at only 20 years old. This foundation was created in his name to honor the life he lived. He set an example to us by helping others on a daily basis. Our goal with this foundation is to continue helping others by providing athletic scholarships for middle school and high school students as well as contributing scholarships to organized sports through the valley.

Follow us on Facebook at Play It Forward in Honor of Quinton Robbins

HEAD OF THE PACK

The Cahills: A Basic Football Legacy

BY DILARA KING
Editor-in-Chief

Jeff Cahill is the head coach of Basic Academy's football program, Cahill has been coaching for 15 years since 2003. Cahill's goal for this upcoming season is to lead the wolves to semi finals for the third time in 80 years. Cahill is prepping his team to dominate in offense and defense this year.

"Lots of hard work, running, conditioning, live plays and getting used to the heat, it can get tough out there when it's hot," Cahill warned.

Being a coach for 15 years has led Cahill to be able to tell the difference between a dedicated and undedicated player but most importantly being a student before an athlete, good grades and personality are the first green flags for players wanting to be on the field.

"A kid with good grades is the number one thing I look for, good character and somebody that likes to work hard are a close second," Cahill explained.

Basic Academy is a school of many traditions, some have come and go but many have stayed through the 80 years, one of them being the Henderson Bowl against Green Valley High School which is televised every year on the local news. One of the traditions is a banquet dinner they day before a game

for an extra boost in energy and good luck wishes.

"Our goal is definitely to win our division, we wanna beat Green Valley, and then we want to get far into the playoffs," Cahill said.

Cahill has carried on a legacy passed on from his father being a football coach and his son who currently attends Basic Academy and plays football like his father and grandfather.

"My dad was a coach before me so that was one of the big motivating factors," Cahill said.

Cahill has led Basic's football program far in the past all the way to State Semi Finals this year it is to win our division's state championship.

"We've had two extremely successful seasons, 2009 and 2015 were both seasons we went 10 wins and 2 losses in 2009 and 11 and 2 in 2015. Both years we made it to the state semi finals."

Football is a family affair for the Cahills. To the right, Coach Cahill is pictured with his father, the elder Coach Cahill who was Basic's football coach for many years and his son, Loudon. Above, Cahill is pictured in his high school Basic football uniform. Pictures courtesy Jeff Cahill.

Basic Selects New Athletic Director

Basic is his second home. For the last 28 years, Bart Black has been a well-loved math teacher and tennis coach at Basic.

Over summer, Coach Black was appointed the new Athletic Director. From Pi-Day and Calculus to Tennis rackets and hot asphalt, Coach Black has impacted generations of students at Basic.

How are you feeling about this season?

I am very optimistic because we have a lot of young

players that are good athletes. By the end of the year, I think they will have figured out that they can become good tennis players.

What do you do to prepare for the season?

Talk about different strategies you can use in different situations.

What are your goals for the season?

We liked to compete for a title. Improve to be in a better position to make that happen.

How long have you been coaching?

Since 1991.

How long have you been coaching at Basic?

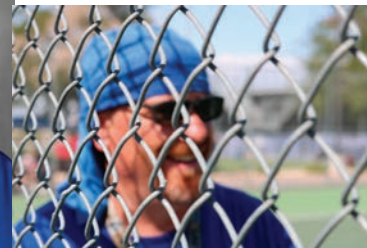

Since 1996.

What motivates you as a coach?

Seeing players want to improve and to strive to exceed.

What do you look for in a player?

Effort, willing to learn and put in the work.

Coach Black is often seen on the tennis court with his signature look: a t-shirt or towel to help prevent sunburn in the brutal Southern Nevada sun. Photos by Grace Williams (below) and Ms. Hollis (above)

Seniors paint the parking lot during the day and night with family, friends, and peers. Pictures by Ms. Hollis and Mrs. Peveler.

Seniors Paint Parking Spots

BY ASPEN SWECKER
Sports Editor

A FAMILY TRADITION

Every year Basic Academy has special senior events including painting senior parking Spots. On August 12, Basic seniors picked their parking spot and went out with their friends and families to the event.

Seniors get the opportunity to create their own design for their parking spots.

"It was a very last-minute idea but I always used to love watching Phineas and Ferb but mainly see-

ing where Perry ended up going every episode," said senior Jazmyn Hunter. "I was inspired to use 'Where's Jazzy' with Perry the Platypus because I'm usually the friend who gets distracted easily and disappears from an activity and they usually have to come and find me or yell my name to come back," she said.

At Basic, this tradition often includes more than just the seniors.

"Being able to do it with

all of my friends and giving an extra hand or helping each other out if needed was nice. We definitely had to have small dance parties to keep us going throughout the day," said Hunter.

At the beginning of their last year in high school, most seniors had mixed feelings about graduating.

"I'm pretty sad but I'm actually really excited at the same time. I feel like I've had a good experi-

ence," said senior Kennedy Taylor.

The tradition of senior parking spots has been going at Basic for nine years.

"We have been doing senior parking spots since 2014," said Student Council advisor Mrs. Peveler.

Senior Crown Decorating

BY ASPEN SWECKER
Sports Editor

A TRADITION CONTINUES

Basic Academy’s graduating class has many events throughout the year that are dedicated to only them, one is the Senior Crown Decorating.

“For the first time ever we had a crown decorating party and it was a huge hit” said student council advisor Mrs. Peveler

Seniors had many different materials that they could use to decorate their crowns

“The stickers lying around [inspired me]. I wanted to make something with dinosaurs which I littered my crown with,” said

senior Izzy Duncan

Basic’s senior traditions are something that many students look forward to. From senior crowns to parking spots and senior sunrise, Basic has plenty of activities to make students’ last year in high school a special one.

“The senior activities are fun because Basic has a lot of tradition and people know that when they become a senior, they get to be part of the tradition,” said Peveler

Every year Basic tries to add a new tradition for their seniors.

“Last year we added a

ribbon tying ceremony that Mrs.Wood brought in and that was fun, so each year we add in a few more things,” said Peveler.

Seniors got with their friends and decorated their crowns.

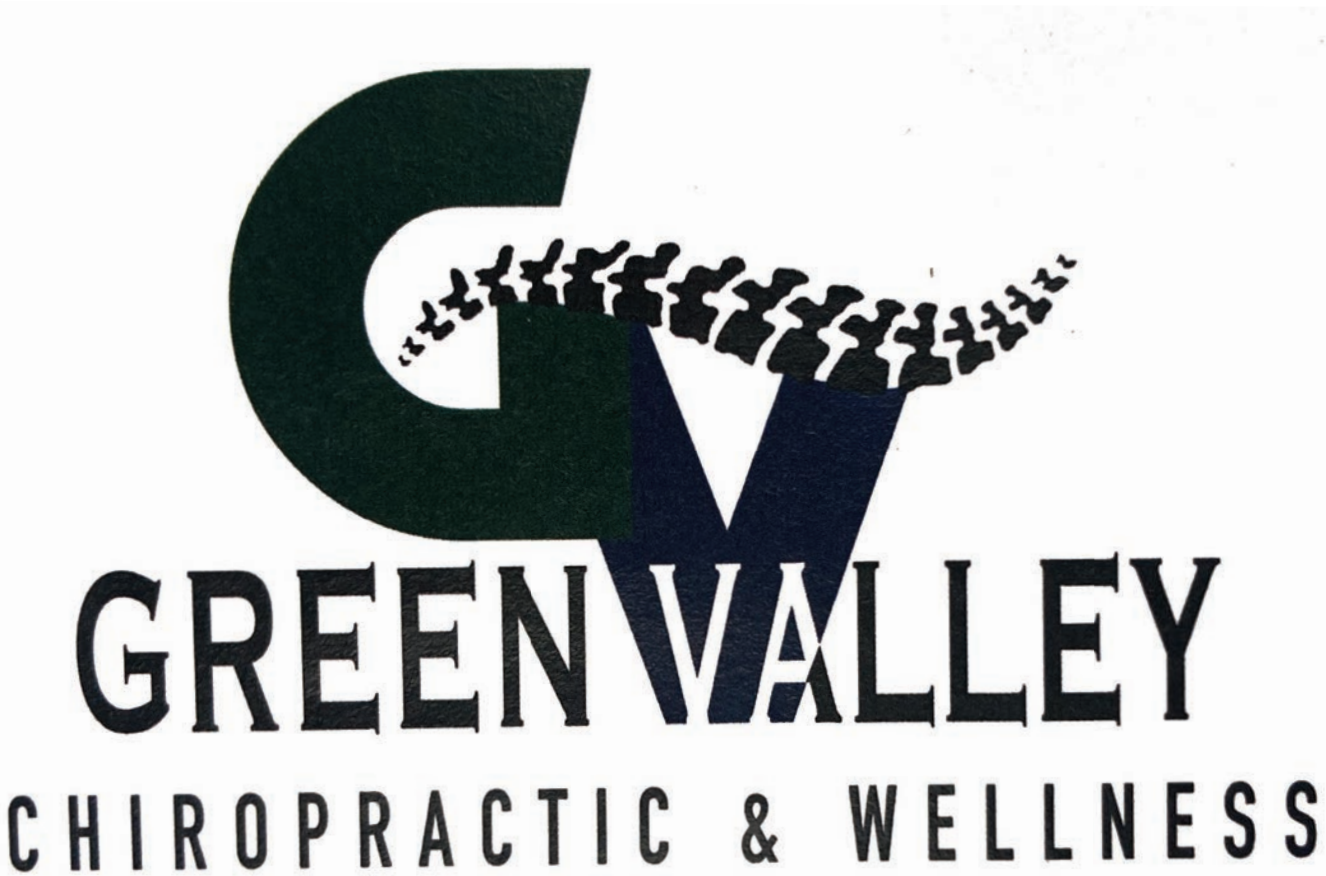

“My favorite part of the whole thing was being with friends and getting recognized for our hardwork as seniors,” said Duncan.

Below left, students decorate their crowns in preparation for Senior Sunrise on August 26. Students gathered in Senior Adviser and Forensic Science teacher Ms. Flores’s room. Student Council and Ms. Peveler prepared the materials for the event.

Below right, senior Lennox Marquez sports his senior crown in Ms. Flores’ room during the senior crown decorating competition. All photos by Ms. Hollis.

DESIGNING COMMUNITY

Knit is excited to support the Basic Academy Wolves for the 2022/23 Football Season. Knit's history with Basic goes back over 40 years to the early 80's when Knit Principal, Mark McGinty, graduated from Basic and played on Wolves Football Team.

Knit believes architecture can elevate and transform lives, fostering community wherever we live, learn, work and play.
